

British Sign Language Level 2

What will the course involve?

You will expand on the vocabulary and topics you were taught on Level 1 and learn how to construct more complex discussions in BSL.

What we will cover

Essential vocabulary at intermediate level covering:

Everyday conversations

BSL grammar and structure, including order and Non Manual Features

Social interaction activities

Educational routes

Work, College and School

And much more....

Assessments

You are required to undertake three assessments; one for productive, one for receptive and one dialogue. If you are unsuccessful for any of the assessments, you can retake them.

How will Femaura teach the course and am I required to complete homework?

We will use the same methods as Level 1 with additional activities such as discussions, receptive exercises using a range of videos and role play from real life examples.

All resources are provided so you don't need to bring anything with you. Homework will be given and you will receive feedback on both class work and homework in BSL.

What will I achieve at the end of the course?

You will be able to use a wide range of vocabulary in BSL with appropriate grammatical content to tell a story and express yourself in a conversation. We will also teach you appropriate behaviour when socialising with Deaf people, such as turn taking and asking for clarification.

Can I get extra support during the course?

Femaura will provide information and signpost you to other services including further opportunities for education and work, book and video references, deaf and disability support, dyslexia support, counseling, or any support you require during the course. We deliver English and Maths OCR qualifications if you would like to improve your skills in literacy and numeracy.

Can I do other Femaura courses alongside this course?

We recommend you undertake our one-day Deaf Way Level 1 and 2 courses as this will give you underpinning knowledge of the Deaf world, which will subsequently help with your ability to understand and learn the language.

What next?

At the end of the course, you will have the opportunity to discuss the next steps available to you with your tutor and complete an evaluation form.
